

Assent Form for Direct Observations (for use with children under the age of 16)

*For children who are not able to give legal consent – your
permission still matters.*

My name is:

Are you happy for the student social worker to be watched while they spend some time with
you?

Is there anything else you want to write or draw to express how you feel about this?

Student's Name: _____

Practice Educator's Name: _____

Date: _____

*Note for PE: Once completed, you need to store this form securely until the outcome of the
placement is confirmed by the relevant Practice Assessment Panel. After which, this form
should be destroyed.*

***A parent or carer with parental responsibility must also be asked to give their consent
before the observation goes ahead.***
